

## Efficient Expertise

Leverage Sherpaneer's experience for focused improvement with less time and cost.

## Experience

Over our decades of industry experience from the lowest to highest levels and startups to Fortune 500

## Fast Implementation

Get key decisions, configurations, and training done quickly. A minimum viable product shipped as rapidly as possible.

## Team Launchpad

Up-speed individual departments or small teams for immediate impact.

## 1% Pledge

Sherpaneer is joining an impressive network of entrepreneurs and companies across the globe that have committed to philanthropic efforts through the Pledge 1% movement. By pledging 1% of its equity, employee time and product to charitable pursuits, Sherpaneer is demonstrating a commitment to corporate social responsibility and philanthropic leadership.

*As your boutique Salesforce Partner, we help you implement the right way, the first time. Leverage our women- owned diverse, nimble, and agile team to help improve your business.*
